THE WORLD AWAITS. NEW 2023 CUNARD VOYAGES

From cities that need no introduction to natural wonders that defy imagination, in 2023 Cunard invites you to fall in love with the world again on a season of over 150 voyages celebrating iconic destinations loved throughout the globe.

There are opportunities for you to bask in the sunshine of the Mediterranean, the Iberian coast, and the Caribbean. To experience the beauty of Norwegian Fjords, Alaskan glaciers, and Icelandic geysers, or fall for the enduring charms of New England, Canada, and The Baltics.

Whether you're seeking the tropical warmth of sandy beaches, the unparalleled beauty of icy frontiers, or the allure of cities steeped in history, The World Awaits.

Fares are priced to sell fast so please book quickly to avoid disappointment. Cunard's iconic 7-night Transatlantic Crossing starts from £739pp, plus you won't want to miss Queen Mary 2's incredible 28-night voyage to Canada and New England. Cunard World Club members receive **5% early booking savings**, plus Cunard fares include the choice of cabin number and dining time, as well as complimentary port parking, coach travel or on-board spending money.

I have enclosed a summary of the new cruises with our special discounted lead in fares which include **Ocean World Travel's discount** and Cunard's early booking savings.
